Course staff and volunteer workers whilst working on the golf course have priority. When nominating a person for membership, it should be remembered that you as nominator are responsible for seeing the new player obtains a handicap should they wish to play in competition matches.

6. ANNUAL FEES

The financial year of the Club shall be from 1st August to 31st July each year. Annual fees shall be paid in advance and fall due on 1st August.

Veterans Fees are due on 1st August and are payable to the Veterans Committee.

7. HANDICAPPING SYSTEM

Subject to any changes by Golf Australia (GA).

If a player is or becomes a member of more than one club they shall select one club as their Home Club and shall report this decision to each club.

8. HANDICAPS FOR NEW MEMBERS

To obtain a club handicap, a player is required to submit 3 cards of 18 or 6 cards of 9 holes, marked and signed by a registered club member possessing a handicap and clearly titled 'FOR HANDICAP'. These handicaps may be obtained in club competitions EXCEPT team events. These cards are to be left at the Clubhouse Office.

The player will then be allotted a handicap which will entitle them to play in competitions.

A score is a 'live' score if it is one of the player's most recent eligible actual scores. There is no requirement for a player's most recent scores to have been returned within a specific timeframe.

The handicap committee has the authority to increase or decrease a member's handicap.

New members transferring 'Home Club' status to Sussex Inlet Golf Club and already possessing a GA Handicap may have that handicap accepted upon providing evidence of same.

Any questions with regards to handicapping should be first directed towards the CEO.

9. ELIGIBILITY FOR CERTAIN EVENTS

To be eligible to complete in any of the various championships each player is required to have played at least six handicapped (18 hole equivalent) competition games held by and at Sussex Inlet Golf Club in the twelve months preceding the start of the current year's championship (as per GA Connect records) and must be a financial member of the Club. After the commencement of a Team Event no substitutes will be permitted.

Veterans' eligibility – 6 games must be played in Veterans' Competitions.

Womens eligibility – 6 games – 3 must be played in Womens Comps, 3 may be played in other Sussex Inlet Golf Competitions.

All rounds are to be completed by 6pm as per the draw. The higher handicapper must claim a forfeit within 2 days to proceed to the next match.

Match postponement - the only ways a match can be carried beyond allocated day is by the closure of the course or by a Match Committee decision.

If there is no notice on that board players are to agree prior to the start of the Match

- Play the ball as it lies
- 30cm General area
- 30cm fairways only
- Lift, clean and place

24. AMBROSE (INCLUDING MIXED)

- i. 2 Players - 1/4 of Combined Handicap
- ii. 3 Players -1/6 of Combined Handicap
- iii. 4 Players -1/8 of Combined Handicap

25. AMBROSE PLAYING RULES

- i. After selecting preferred shot, partner(s) may drop (or place, if Temp Local Rule allows) their ball within 1 club length of the selected shot, no nearer the hole and within the same area of the course (hazard/hazard, fairway/fairway etc.) A dropped ball cannot roll beyond the Area as described above.
- ii. On the putting green, partner(s) may place their ball within 1 putter head length of selected shot. To expedite play, player(s) whose putt comes to rest within a club grip length of the hole may putt out, but that ball cannot be marked
- iii. Players at all times play their own ball and not partners'. Playing wrong ball penalty is 2 shots.
- iv. Check board/card for rules for the event.

26. ETIQUETTE OF GOLF

- i. No-one should move or talk, stand close behind the ball or the hole when a player is addressing the ball or making a stroke.
- ii. Drinks are not to be taken onto greens as it could kill the grass if spilt.

- iii. Ready golf means the first person on the tee should hit off; no honours apply in teeing order.
- iv. No player should play until the party in front is out of range.
- v. In the interests of all, players should play without delay.
- vi. A player who has incurred a penalty should intimate the fact to their opponent or marker as soon as possible.
- vii. Players while searching for a ball should allow other matches coming up to pass. They should signal to the players following them to pass and having given the signal should not continue their play until those players have passed and are out of range.
- viii. Having played out of a bunker, a player should carefully rake out all footmarks and shot marks they have made.
- ix. A player should ensure that any turf cut or displaced is replaced at once and firmly pressed down or use sand to fill the hole. On the putting green any mark made is repaired as far as possible after the players have holed out. Do NOT pull roots up, just push in from the sides & flatten.
- x. When the result of a hole has been determined, players should immediately leave the putting green and should not replay their putts or practice putting.
- xi. Do not take buggies or drop clubs on the green.
- xii. Competition players have precedence over other players at all times.
- xiii. Subject to conditions governing competition play, 2 ball groups have precedence over 3 and 4 ball groups.

27. MOTORISED TRANSPORT

Members wishing to use privately owned motorised transport of any kind on the golf course are required to apply in writing, giving details of their vehicle and pay the required fee (currently \$250 for a 2 person cart), an additional club fee of \$2.50 per 9 holes is payable for each use. These fees are set by the Board to recover some of the costs of the construction & maintenance of the paths on the course. Their names will be entered into the Club motorised transport register and must show evidence of appropriate insurance cover.

Visitors wishing to use privately owned motorised transport of any kind on the golf course are also required to give details of the type of transport used and must have appropriate insurance cover. A fee of \$10 applies.

Both members and visitors should ensure that they drive on pathways provided on the course and not take short-cuts over the timber edging. Always follow cart signs on course.

28. SLOW PLAY

Each player has their own preference in this matter, but practice swings should be limited by discretion.

- (a) Delays in locating lost balls.

If after a reasonable period, it is apparent you are holding up play, call next group through. There is a three minute maximum to search for lost balls.

- (b) Lack of discretion in going through a team that has lost a ball.

If called ahead as in (5) but immediately afterwards the team ahead locate their ball and it is evident that play will proceed faster if they continue, you should signal them to go ahead.

Note: the discretion is in the hands of the team called through and not the players who were looking for their lost ball.

- (c) On the putting green unnecessary marking of balls and players not continuing to putt out.
- (d) On reaching the green and your ball, study the line of your putt immediately, when it is your turn to putt, try and wherever possible putt right out, marking the ball is sometimes necessary but not always, and should be avoided.
- (e) Players not using the time on the green, while waiting their turn to access their own putt.

Whenever possible, a player should have assessed their putt for direction and speed while the other players are putting, providing in doing so, no interference is caused to other players.

- (f) Incorrect handling of the flag on the green.

The player nearest the hole should attend the flag and then pass to the first player to hole out and then appraise their own putt.

- (g) Leaving buggies on the wrong side of the green.

Always place your buggy adjacent to the approach to the next tee
